

The **project aims** at raising awareness and knowledge about **environmental topics** and **climate change** for **disadvantaged adults**. It will provide adult educators and trainers with the necessary tools to **improve awareness regarding climate concerns and discussions**, and **motivate participants to lead a more eco-friendly lifestyle**.

If you are an **adult educator, trainer** or **climate expert** and would like to know more or contribute to the project, please contact us and we will gladly give you more information about **Climate Box**, its outcomes and how you can contribute to them!

Partners:

BUPNET – Germany
Out of the Box International - Belgium
Die Berater – Austria
CATRO – Bulgaria
CESIE – Italy
Asociación Caminos - Spain

Climate Box is an **Erasmus+ project** with partners from Germany, Bulgaria, Belgium, Austria, Italy and Spain.

**“94% of Europeans said protecting the environment is fairly or very important to them.
62% of the Spanish population answered protecting the environment is important to them.
86% of the Spanish population would like to work together with the EU to improve climate protection”.**

Intellectual Outputs/Results:

IO1 – Report: Climate education for disadvantaged adults

A report on climate education and information for disadvantaged adults for each partner country to assess their needs and adapt the training materials accordingly.

IO2 – Climate Box: Training materials

The training materials which can be directly applied by the adult educators and trainers in their daily practices.

IO3 – Online resource base for climate education

A user-friendly Open Education Resource (OER) Platform to enable all interested parties to access the developed materials.

IO4 – Open Badge for climate education

A mobile learning app for direct access to the trainings and materials and to easily apply it in daily practices.

IO5 – Guidance publication: Climate education of adults

A report introducing best practice guidelines and highlighting the relevance of climate education for disadvantaged adults.
